

**KVAS Meeting Minutes – 7/18/14**

**Hansford Center, St. Albans, WV**

**Minutes Taken by Dan Pleska**

---

**Scott Blake called the meeting to order at 7:45pm.**

Rodney Waugh gave an in depth talk on the Sun. He also pointed out that the solar wind density is available on [spaceweather.com](http://spaceweather.com)

Rodney Waugh provided a “Get Well” card for Brent Ogle’s wife. Those present signed it.

Chuck Spann passed around a *tektite*.

Chuck Spann gave an update on Blackwater Falls Astronomy Weekend. At this time the confirmed speakers are Mark Cobay, Maria and Tim Hamilton, Rodney Waugh, Ed Connors. Invited, but not confirmed, are Michelle Shinn and Pam Casto. Chuck will also arrange to have a sheet cake made celebrating the 25<sup>th</sup> Anniversary of Astronomy Weekend.

Since there was such a small turnout, it was decided to postpone the raffle drawing for the binoculars until the August meeting.

The meeting adjourned at 9:00 pm.
