

## June Notes 6/21/19

The KVAS met at Breezy Point at 7:00 for the June meeting.

### Business:

Update of the schedule for July 20th festivities at Camp Virgil Tate with the celebration of the 50th anniversary of the Apollo 11 moon landing. We do not have the times for this event, but KVAS will have videos, a membership table, telescopes, and numerous space memorabilia on display at the lodge. The observatory will be open that evening for anyone interested in star gazing.

A recap of the Blackwater Falls Star Party (9/27-28/19)

The 65th anniversary celebration and KVAS picnic will be on August 17 at 6:00 at Breezy Point. Bring a side dish and come join us with good food and good fellowship.

The Clay Center would like to have KVAS involved in their Planetarium

The OLLIE Program (speakers on astronomy) are offered through WVU. Contact Carolyn Atkinson at [cea2@suddenlink.net](mailto:cea2@suddenlink.net) or [www.olliatwvu.org](http://www.olliatwvu.org)

Beth Miller, Epworth Methodist Church in Ripley, has a space themed vacation bible school planned on July 8-12 and is in need of speakers. Contact Janet Willson

if interested

The meeting was adjourned, and members went to Breezy Point to learn about astrophotography with Ed Connors.

Present at the June 21st meeting were:

Sandy Blair	Danny Blair	Judy Waugh	Rodney Waugh
Robert Dean	Dan Pleska	Kaitlin Bedekovich	Ed Connors
Bob Frostick	Jason Young		

Notes by Deb Frostick, Secretary
